CAMPS FOR KIDS INFORMATION

In order to be eligible, students must meet the following criteria:

- Family qualifies for FoodShare/SNAP, Wisconsin Shares, and/or child is in foster care.
- Haven't previously attended camp through the Camps for Kids program.

HOW CAMPS FOR KIDS WORKS

- Camps for Kids provides a one-time scholarship to youth who qualify so they may attend a week-long, overnight, residential camp.
- Interested students must complete the Camps for Kids Application Form and submit it to the Milwaukee Recreation Department by Friday, April 19th. Campers will be selected on a first come first served basis as long as scholarships are available.
- There is a \$20.00 commitment fee to reserve a camper's spot. The commitment fee is paid directly to the selected camp once registered.
- Camps are responsible for providing transportation to and from their camp from designated pick-up/drop off points within Milwaukee County.

ABOUT THE CAMPS

- Each participating camp is accredited by the American Camp Association to ensure that each child receives an incredible camp experience.
- All camps are located in Wisconsin, most within a few hours of Milwaukee.
- Most camps have a representative at both orientations to answer questions about their specific camp experience.
- Camps offer activities such as swimming, arts and crafts, water and field sports, rock climbing and hiking, campfires, and more!
