TEAM CAPTAIN

Each team must have a designated captain. The captain is responsible for scheduling the team's weekly tee times.

LEAGUE CORRESPONDANCE – Strong communication is essential to this league

Golfers must provide email and/or an accessible phone number to be shared with their teammates and the Adult Sports Office Administrative Assistant. Each week team members must work together to coordinate a tee time. Reservations are done on a first-come first-serve basis.

WEEKLY TEE TIME RESERVATIONS

Each week the team captain must contact the Adult Sports Office Administrative Assistant to reserve a tee time in our larger leagues. Reservations can only be made one week in advance. The earliest a team can make a reservation is the day immediately following league play, starting at 9:00am. **Tee times must be reserved each week in our larger leagues.**

LEAGUE SCHEDULE

League schedules MUST be followed. In the event that a conflict arises, it is up to you to find a sub to fill your spot on the team that week. Matches will only be rescheduled in the event that the league cancels. Please check the weather hotline number (414) 475-8192 to see if your league is on or cancelled. For updated course conditions, visit www.countyparks.com or contact your course directly.

Any dates that are postponed due to inclement weather will be rescheduled and added on to the end of the season. Participants will be reimbursed with rain checks if a week cannot be made up due to any number of reasons. Rain checks will be issued at the golf course for teams that were scheduled to play. Rain checks are equivalent to the dollar amount paid by Milwaukee Recreation for the round. Rain checks must be redeemed before the end of the golf season.

LEAGUE COMPETITION

We encourage healthy competition but ask that all participants be mindful the leagues are designed for fun and socialization inherent to the game of golf. Proper golf etiquette and sportsmanship are required at all times.
