

Arts Internship Program

2020 ARTS INTERNSHIP GUIDELINES

ABOUT THE PROGRAM

Through partnerships between Milwaukee Recreation and local arts organizations, the Arts Internship Program provides high school students with paid internship opportunities to explore careers in the arts while also gaining practical and applicable job skills and work experience.

Arts Internships span a total of 40-400 hours during the summer, with most organizations offering somewhere between 70-250 hours per internship. **Interns are paid a minimum of \$9.00 per hour** and receive an unlimited M-Card for transportation (from their first day of work until the end of summer). Interns are required to attend job readiness training sessions and work closely with a supervisor to achieve the following objectives:

- Become more prepared for future work experience
- Gain confidence in applying for future jobs
- Learn new skills and abilities in their area of focus
- Gain a deeper understanding of the production, hard work, and dedication that goes into completing a work of art or project
- Build a professional network of mentors

Mandatory trainings and events:

- Training 1: Friday, June 12 | 9:30 AM – 3:30 PM
- Training 2: Wednesday, July 8 | 3:00 – 6:00 PM
- Final celebration: Thursday, August 6 | 4:00 – 6:00 PM (interns arrive at 3:00 PM)
