SUMMER Recreation Guide

Activities for the entire community
YOUTH | TEENS | ADULTS | SENIORS

mkerec.net

A department of MPS
Summer in Milwaukee is upon us! While it will look different from summers of the past, the sun will still be shining and the desire to get outside and soak up the warmth remains. Our Recreation team has worked hard to put together a series of activities that can be delivered in the safest way possible and will be taking the necessary precautions to ensure that the safety of our participants remains our number one priority.

The majority of activities will kick off the week of July 6th; however, our free summer playground program is scheduled to begin June 22nd and will once again provide youth with free meals. Additionally, our commitment to revitalizing our 52 outdoor playfields continues. A total of six (6) projects are currently under construction and eight (8) additional projects are in the design phase.

We are also proud to continue our $5 swim lessons in partnership with the American Red Cross, as well as our Everyone Plays! youth scholarship program. In the last year alone, we provided more than 350 scholarships extending the benefits of recreation to even more young people.

In addition to so much more, we encourage you to check out the music lessons being offered in partnership with the MPS Music Department on pages 11-12.

We look forward to seeing you in one or more of our programs this summer!

Sincerely,

Dr. Keith P. Posley
Superintendent of Schools

A note from Milwaukee Recreation regarding future programming and event cancelations as a result of COVID-19:

During this unprecedented time, we are working hard to find the best ways to serve our community while ensuring the safety of our customers and staff. This may result in schedule changes and/or cancelations of activities which will be communicated to you as soon as possible.

While this is an ever-changing situation, it remains our goal to bring our programs and services to you in the best way possible. Thank you for your understanding.

-Lynn A. Greb | Senior Director, Milwaukee Recreation

Summer Playgrounds Information

Milwaukee Recreation will be serving meals at playground sites beginning June 22nd (for kids ages 6-17). At this point in time, and in the interest of keeping our staff and customers safe, sites will be meals only, there will be no structured play opportunities.

Beginning July 6th, Milwaukee Recreation will be rolling out a new drop-in mobile recreation program. Mobile recreation vehicles will be visiting 15 sites throughout the city, twice a week, for 20-30 minutes with structured play opportunities and exercise components. Children will have the chance to take home the equipment they personally use during these activities. Specific site information and updated schedules can be found at mkerec.net. We are looking forward to this new program!

CONGRATULATIONS, CARMEN RIVAS, ON RETIREMENT!

Carmen Rivas, Milwaukee Recreation’s Adult Sport Supervisor, is retiring from Milwaukee Public Schools after over 32 years with the Recreation department.

During her three decades with the organization, Carmen was involved in nearly every program Milwaukee Recreation provided. She joined the department as an intern in 1988, and later worked with the summer playgrounds program and the before- and after-school team. In 1990, Carmen was hired as an assistant recreation supervisor, overseeing community centers, the Summer Stars program, Summer Recreation Enrichment Camps, childcare camps, cooperative tutoring, and more. In 2017, Carmen moved over to the Adult Sports team, where she assigned staff for Milwaukee Recreation’s leagues, coordinated the 50+ Sports leagues, provided wellness opportunities for MPS educators, and oversaw the renewal of the Burnham Ice Skating Rink.

Carmen, a South Division High School graduate, is an MPS lifer. Her passion and joy for the programs always shined bright. She brought unbridled enthusiasm to her work every single day, whether she was encouraging youth on the playgrounds, talking to her referees at an adult basketball game, or meeting with new Recreation staff members in the office.

“Some of my fondest memories on the job were seeing ‘miles of smiles’ from the participants of our programs,” Rivas said. “I just want to thank everyone for this awesome journey.”

Carmen does not have any immediate plans for retirement, but is looking forward to spending time with families and friends, as well as planning a vacation. “I’ll continue to ‘Experience Life’ through Milwaukee Recreation!”

Congratulations, Carmen, and good luck in retirement!

In this rain barrel workshop, participants learn about water conservation and the many benefits of using rain barrels. Rain barrels capture rainwater from your roof that you can use later when it is dry outside and have thirsty gardens. They also help prevent rain from becoming polluted storm water runoff, the biggest remaining threat to clean rivers and our Great Lakes. Finally, participants will learn proper rain barrel installation and maintenance techniques. One certificate for a FREE rain barrel per owner-occupied household will be given upon completion of the program. Must live within Milwaukee County to receive a rain barrel certificate. Fishing, angling, casting a line, catching fish - whatever you call it - it’s fun for kids, adults and entire families regardless of age or ability. But what if you have never been fishing? Where does someone start? Right here with an Angler Education fishing clinic! The two-hour clinic covers casting, knot tying, bait, tackle, fish ID and water safety. Fishing poles and bait provided, as well as on-site assistants who will demonstrate how to properly bait their hooks. We suggest wearing comfortable shoes and clothes that may get dirty or wet. Also you may also want to consider bringing drinking water and sunscreen. It is recommended for participants to attend both classes, the Hawthorn Glen class is instructional and the Lakeshore class will provide the hands-on fishing component. Parent/guardian must register, pay and attend with a child. Fee is per person. Class fee is non-refundable and not eligible for reduced fees.

**GENERAL SWIM INFORMATION**

**What to Bring to** — Swimsuit, towel, and swim cap. Swim caps must be worn by all individuals entering the pool (exception made for infants, lil’ squirts and shallow water exercisers who do not submerge head). Swim caps may be purchased at the recreation office for $2. Please report 10 minutes before class starts.

**Height Requirements (Ages 6-14)** — Students must meet the listed minimum height for each pool. Most pools have a 48” height requirement. For youth who are 42”-48” a six-inch booster step may be available. Children not able to comfortably stand in the shallow end of the pool (with or without a booster step) should be enrolled in an Infant, Lil’ Squirts or Tiny-Tot class where a parent/guardian must accompany the child in the water.

**Water Temperature** — Normal water temperature is 78–82°F. The only exceptions are Gaenslen Elementary and Marshall therapy pools which range 86-89°F.

**Locker Rooms** — Participants may bring a padlock for lockers. All swim gear must be removed after each class. Children five years of age or under may accompany their parent/guardian in the locker room. Children ages six and up should use the locker rooms that correspond to their gender identity.

**Pre-Testing** — A pre-test is given to swimmers in levels 2-6 on the first day of class to ensure that the swimmer is in the appropriate level. Instructors reserve the right to recommend alternate classes for those students unable to complete pre-tests.

**Testing** — Testing of swim skills learned generally occurs during the second to last lesson, and last lesson. Parents/caregivers will be given certificates on the last day indicating which level to enroll in next.

**Infant and Tiny-Tot Requirements** — Diapers: Regular disposable diapers are not permitted as they disintegrate in the pool. Either disposable “Little swimmers” or reusable swim diapers are required.

**Parent Attendance** — Parents/caregivers must accompany their children in the water for all Infant, Lil’ Squirt, Tiny-Tot, and Adv. Tiny-Tot classes.

**Second Child in Class** — If a parent/caregiver has more than one child enrolled in Infant, Lil’ Squirt, Tiny-Tot or Advanced Tiny-Tot classes, the second child must be accompanied by a responsible person 16 years of age or older.

**Make-up Policy** — The Recreation Division works diligently to ensure that our pools stay in working operation to offer consistency in our programs. In the event that more than one class is cancelled due to circumstances we cannot control, we will work to make-up the missed class at a later date. When a make-up date is unavailable, credits for the missed class will be applied to your Milwaukee Recreation account.
