Winter fun for everyone!

Chilly temps are quickly approaching, which means it’s time to cozy up and read through the 2023 Milwaukee Recreation Winter Guide. Filled with exciting offerings, new classes, and special events, there is plenty to keep you busy all season long.

This winter, we hope you’ll join us at the annual Winter Wonder Woods event at Hawthorn Glen on December 9, 10, 16, and 17. This winter-themed hike includes 70,000 lights on display, a selfie station, hiking Santa and warm drinks and sweet treats. We will also be hosting our annual Yoga Fest on New Year’s Day at the Beulah Brinton Community Center. This is a great way for you and your family to start the year off on a healthy note! Finally, we are excited to announce the return of our annual Daddy/Daughter Dance at North Division High School. The event will take place on Saturday, February 18 and will be a very special night filled with dinner, dancing, and valuable family time. Details on pages 6 and 19.

Please take time to browse through this guide and all the amazing opportunities available to you and your family. We look forward to seeing you this winter.

GENERAL SWIM INFORMATION

What to Bring to — Swimsuit, towel, and swim cap. Swim caps must be worn by all individuals entering the pool. Each participant will receive a swim cap with their swim class registration.

Height Requirements (Ages 6-14) — Students must meet the listed minimum height for each pool. Most pools have a 48” height requirement. For youth who are 42”-48” a six-inch booster step may be available. Children not able to comfortably stand in the shallow end of the pool (with or without a booster step) should be enrolled in an Infant, Lil’ Squirts, Tiny-Tot or Advanced Tiny-Tot class where a parent/guardian must accompany the child in the water.

Water Temperature — Normal water temperature is 78–82°F. The only exceptions are North Division, Vincent, and Marshall therapy pools which range 86-89°F.

Locker Rooms — Participants may bring a padlock for lockers. All swim gear must be removed after each class. Children five years of age or under may accompany their parent/guardian in the locker room. Children ages six and up should use the locker rooms that correspond to their gender identity.

Pre-Testing — A pre-test is given to swimmers in levels 2-6 on the first day of class to ensure that the swimmer is in the appropriate level. Instructors reserve the right to recommend alternate classes for those students unable to complete pre-tests.

Testing — Testing of swim skills learned generally occurs during the second to last lesson, and last lesson. Parents/caregivers will be given certificates on the last day indicating which level to enroll in next.

Infant and Tiny-Tot Requirements — Diapers: Regular disposable diapers are not permitted as they disintegrate in the pool. Either disposable “Little swimmers” or reusable swim diapers are required.

Parent Attendance — Parents/caregivers must accompany their children in the water for all Tiny-Tot and Adv. Tiny-Tot, and is encouraged but not required for Lil. Lv 1, Lil. Lv 2, Level 1, and Level 2 classes.

Second Child in Class — If a parent/caregiver has more than one child enrolled in Tiny-Tot or Advanced Tiny-Tot classes, the second child must be accompanied by a responsible person 16 years of age or older.

Make-up Policy — Milwaukee Recreation works diligently to ensure that our pools stay in working operation to offer consistency in our programs. In the event that more than one class is cancelled due to circumstances we cannot control, we will work to make-up the missed class at a later date. When a make-up date is unavailable, credits for the missed class will be applied to your Milwaukee Recreation account.

PARENT/ADULT AQUATICS PARTICIPATION

When is Parent/Adult involvement REQUIRED?

• Parent child classes require an adult or responsible person for each child (16 year or older) to be in the water supporting the child. Required: Infant, Tiny-Tot, Lil’ Squirts, Advanced Tot. Recommended: Little Level One.

• During OPEN SWIM, Children, age 7 and under and required to have an adult with them one-on-one, in the water, within arm’s reach AT ALL TIMES.

Parent/Adult IN WATER:

• Benefits of being in the pool with your young swimmer:
  » Increased encouragement and repetition of skill practice.
  » Increased comfort and support, this is a great time to help your child grow their listening skills and practice their swimming skills.
  » Time to bond and have focused time together.

Parent/Adult in POOL ROOM/OBSERVATION AREA (Not in Water):

• Benefits of being in pool room / observation area:
  » Watching from a distance allows some students to develop a trusting relationship with the instructor.
  » Allowing students more independence while still having you in the room for support/confidence.

Parent NOT in Pool Area or in water:

• Some students might be distracted by their adult being in the pool area and, like school, dropping your child off and leaving the pool area might be what creates the best learning environment for your swimmer.

We want you and your young swimmer to feel comfortable and to get the most out of each class. You know your child best and are encouraged to make the decision of how to support them during their swim experience. If you have questions or concerns, do not hesitate to speak with the instructor to develop a plan or call the Aquatics Office at 414.647.6053.
Guidelines from the American Red Cross. Please read to choose the appropriate swim level for your child(ren).

ORGANIZATION

Senior Downsizing
Discussing the importance to start going through your belongings now and not leaving it to your loved ones to figure out on their own. This way, if/when they are no longer able to stay in their home and must move to senior living, they could have taken time to select the items most important to them instead of being pressured to hurry when that time comes. This can be very stressful for all involved. Also, they can take inventory of what they have and start passing on items they want to go to certain people or organizations or make notes of it for later. Class taught by professional organizer, Tamara Starr, Sweet Simplicity Professional Organizing.

Wisconsin Adaptive Sports Association, Inc. 501(c)(3) tax exempt, non-profit organization
Sharon Scull, a longtime playleader for Milwaukee Recreation, has been named the 2022 Barbara Leszczynski Customer Service Award winner! This is the 13th year of the award.

Sharon is a dedicated Milwaukee Public Schools employee, serving the community for almost 40 years with Milwaukee Recreation, highlighted by 30 years as a summer playground leader at Franklin Square Playfield. "Ms. Sharon" creates a safe, welcoming environment for parents to send their children every summer. "She works hard to ensure participants have fun and memorable experiences on the playground," Milwaukee Recreation supervisor Derek Donlevy said.

Sharon’s importance to the Franklin Square Community is evident. Cortez Brown grew up on the playground at Franklin Square Playfield, and has fond memories of Sharon. Today, Brown works alongside Sharon as a playleader during the summers at Franklin Square, as well as a Milwaukee Recreation staff member at Marshall & Bryant Community Centers.

"Ms. Sharon epitomizes that community love. It literally takes a village to raise these kids up the right way," Brown said. "She means a lot to Franklin Square Playfield and her impact that started nearly 40 years ago is still felt to this day. We’re all thankful for what she has done for the neighborhood."

In 2019, Milwaukee Recreation celebrated the grand reopening of Franklin Square Playfield, and Sharon played a well-deserved role in the ribbon-cutting ceremony.

Milwaukee Recreation is extremely fortunate to have a team member like Sharon. "You never leave a conversation with Ms. Sharon without knowing how much she loves and appreciates you. She is the type of employee you enjoy working with because she loves what she does and has a true passion for the people around her," Donlevy said.

Congratulations on receiving the 2022 Barbara Leszczynski Customer Service Award!
