Milwaukee Recreation is ready for summer fun!

Summer in Milwaukee is upon us! While it will look different from summers of the past, the sun will still be shining and the desire to get outside and soak up the warmth remains. Our Recreation team has worked hard to put together a series of activities that can be delivered in the safest way possible and will be taking the necessary precautions to ensure that the safety of our participants remains our number one priority.

The majority of activities will kickoff the week of July 6th; however, our free summer playground program is scheduled to begin June 22nd and will once again provide youth with free meals. Additionally, our commitment to revitalizing our 52 outdoor playfields continues. A total of six (6) projects are currently under construction and eight (8) additional projects are in the design phase.

We are also proud to continue our $5 swim lessons in partnership with the American Red Cross, as well as our Everyone Plays! youth scholarship program. In the last year alone, we provided more than 350 scholarships extending the benefits of recreation to even more young people.

In addition to so much more, we encourage you to check out the music lessons being offered in partnership with the MPS Music Department on pages 11-12.

We look forward to seeing you in one or more of our programs this summer!

Sincerely,
Dr. Keith P. Posley
Superintendent of Schools

A note from Milwaukee Recreation regarding future programming and event cancelations as a result of COVID-19:

During this unprecedented time, we are working hard to find the best ways to serve our community while ensuring the safety of our customers and staff. This may result in schedule changes and/or cancelations of activities which will be communicated to you as soon as possible.

While this is an ever-changing situation, it remains our goal to bring our programs and services to you in the best way possible. Thank you for your understanding.

-Lynn A. Greb | Senior Director, Milwaukee Recreation

REC AT HOME
Free classes available on Milwaukee Recreation’s Facebook Page: FB.com/MilwaukeeRecreation

Along with our in-person offerings in this summer guide, you can also participate in Milwaukee Recreation’s FREE “Rec. At Home” virtual programming! Each week, our professional instructors will bring classes right into your living room. The weekly schedule – featuring fitness workouts, cooking classes, outdoor education videos, and more – will be posted every Sunday afternoon on Facebook, Instagram, and mkerec.net!

No registration is required. All classes will be archived on our Facebook timeline to watch even after each session concludes!
Non-city of Milwaukee residents’ registration begins at 10 AM.

Upon reasonable notice, efforts will be made to accommodate your request.

Official Notice to Inform All MPS Parents and Employees about Asbestos Containing Materials Inside School Buildings is Hereby Given: According to the United States E.P.A., the A.H.E.R.A. Regulation requires annual notification to all employees and parents/guardians regarding asbestos containing materials inside school buildings. Management Plans specifying locations, condition, and past response actions of these materials are located in the respective engineer’s office for each site and are available for review during normal school hours as required by A.H.E.R.A. In the ongoing program to safely maintain asbestos-containing materials, MPS conducts surveillances, and 3-year reinspections, and implements appropriate response actions. If interested parties have specific questions relating to the Milwaukee Public School District policy or the scheduling of asbestos related activities planned or in progress, please contact the MPS Environmental Services Department at 414.283.4626.
Please sign this form at left, enclose total payment, and mail to Milwaukee Recreation PO Box 2181 Milwaukee, WI, 53201 or fax to 414.475.8183 before the advertised registration deadlines.

Signature required for all registrations
MILWAUKEE RECREATION
INCLUSION SERVICES POLICY

Milwaukee Recreation is committed to creating and promoting inclusion within all facilities and programs. Through the Inclusion Services Policy and supporting practices, we aim to ensure that everyone has access to the benefits of quality parks and recreation.

Milwaukee Recreation defines inclusion as the process of including all persons, regardless of their socioeconomic level, abilities, language, ethnic origin, sexual orientation or gender identification.

POLICY GOALS: The Inclusion Services Policy outlines Milwaukee Recreation’s approach to ensuring inclusive environments and equitable opportunities for all community members in local parks and recreation.

THIS POLICY ENSURES THAT:

• Community members utilizing our facilities, programs and services have equitable and ability-appropriate access to programs and services regardless of ability, race, age, language, religion, country of origin, sexual orientation, or gender identity.

• Site staff, community partners and stakeholders engage in the support of all community members and promote inclusive behaviors both in park and recreation facilities and throughout the community in public spaces.

• Milwaukee Recreation establishes and maintains an organizational infrastructure for the management of the policy and its established goals and objectives.

• Milwaukee Recreation will continuously measure and improve inclusive practices.

We invite you to visit mkerec.net/inclusion to learn more about Milwaukee Recreation’s efforts to support inclusive practices across all program areas including the Equity Based Prioritization Model for playfield improvements, professional development opportunities for staff, Everyone Plays! Scholarship Program, and the new process for requesting accommodations for Recreation classes.

Need accommodations? Register for course code ACCOM-01 in addition to your recreation class and a member of the Recreation team will contact you for further details.
Please use the phone numbers listed only during recreation program hours at that location.

Clay Camps

The following Clay Camps will be taught at Cream City Clay, Inc., located at 7105 W. Greenfield Avenue, West Allis. Cream City Clay is a learning center for the advancement of ceramic art and design which offers a beautiful studio, quality equipment and a contagious creative environment. Kids will create a project at each class and glaze and fire them into permanent works of art. Projects will vary each week and are tailored to suit any age and ability. Class fees include all supply costs. Limited street parking and municipal parking lot in the rear of the building is available. All Camps are scheduled on the 2nd floor which is not ADA compliant. Reasonable accommodations can be made in advance of camp start dates by contacting Bob at 475-8935.

Secret Lives of Pets: Dogs vs Cats

Which is better? The debate will go on forever. Animals give us funny and sweet inspiration. Did you know that dogs prefer to drink out of ceramic dishes? Learn more interesting facts during pet week. Projects include: feeding dishes, collar tags, treat jars for dogs, cats, snakes, fish, birds and turtles. Create handmade items inspired by your pet. Class fee is non-refundable and not eligible for reduced fees.

Mad Science: BRIXOLOGY Camp
BRIXOLOGY Camp sets the foundation for our next generation of makers! Children learn about different types of engineering and then team up to construct a different engineering themed project using LEGO bricks. We will learn aerospace engineering, amechanical engineering, and build various structures, while developing problem solving and team building skills. Let the tinkering begin! Campers receive daily custom Mad Science brick take homes. Children should bring a snack each day (No nut products please). Class fee is non-refundable and not eligible for reduced fees.

Summer Playgrounds Information

Milwaukee Recreation will be serving meals at playground sites beginning June 22\textsuperscript{nd} (for kids ages 6-17). At this point in time, and in the interest of keeping our staff and customers safe, sites will be meals only, there will be no structured play opportunities.

Beginning July 6\textsuperscript{th}, Milwaukee Recreation will be rolling out a new drop-in mobile recreation program. Mobile recreation vehicles will be visiting 15 sites throughout the city, twice a week, for 20-30 minutes with structured play opportunities and exercise components. Children will have the chance to take home the equipment they personally use during these activities. Specific site information and updated schedules can be found at mkerec.net. We are looking forward to this new program!

Carmen Rivas, Milwaukee Recreation’s Adult Sport Supervisor, is retiring from Milwaukee Public Schools after over 32 years with the Recreation department.

During her three decades with the organization, Carmen was involved in nearly every program Milwaukee Recreation provided. She joined the department as an intern in 1988, and later worked with the summer playgrounds program and the before- and after-school team. In 1990, Carmen was hired as an assistant recreation supervisor, overseeing community centers, the Summer Stars program, Summer Recreation Enrichment Camps, childcare camps, cooperative tutoring, and more. In 2017, Carmen moved over to the Adult Sports team, where she assigned staff for Milwaukee Recreation’s leagues, coordinated the 50+ Sports leagues, provided wellness opportunities for MPS educators, and oversaw the renewal of the Burnham Ice Skating Rink.

Carmen, a South Division High School graduate, is an MPS lifer. Her passion and joy for the programs always shined bright. She brought unbridled enthusiasm to her work every single day, whether she was encouraging youth on the playgrounds, talking to her referees at an adult basketball game, or meeting with new Recreation staff members in the office.

“Some of my fondest memories on the job were seeing ‘miles of smiles’ from the participants of our programs,” Rivas said. “I just want to thank everyone for this awesome journey.”

Carmen does not have any immediate plans for retirement, but is looking forward to spending time with families and friends, as well as planning a vacation. “I’ll continue to ‘Experience Life’ through Milwaukee Recreation!”

MPS Drive

MPS Drive is a FREE driver education program for students meeting eligibility criteria that are currently enrolled in an MPS high school. The program serves students ready to begin driving as well as those with suspended driving privileges who need assistance with regaining driving eligibility. Students must be 15.5 by the first day of class and not older than 17.5 by the last day of class. The classroom and behind-the-wheel training are free, but a $35.00 fee to cover the cost of the temporary permit is due at the time of registration. Permit tests given during class are in English. Other language options are available at the Department of Motor Vehicle testing sites.

CLASS SCHEDULE: Classes will meet five (5) days a week Mon / Tues / Wed / Thurs / Fri

Roll Out the Rain Barrel
In this rain barrel workshop, participants learn about water conservation and the many benefits of using rain barrels. Rain barrels capture rainwater from your roof that you can use later when it is dry outside and have thirsty gardens. They also help prevent rain from becoming polluted storm water runoff, the biggest remaining threat to clean rivers and our Great Lakes. Finally, participants will learn proper rain barrel installation and maintenance techniques. One certificate for a FREE rain barrel per owner-occupied household will be given upon completion of the program. Must live within Milwaukee County to receive a rain barrel certificate. Please only sign up for one workshop as space is limited.

Join the Mighty Kids Club!
Have you ever wondered what it would be like to work at a Nature Center? Now is your chance to find out! As a member of the Mighty Kids Club you will learn to defend native species, hunt gypsy moth caterpillars, and protect animals. That’s not even the best part; every week we hike, sing songs, play games, and tell stories. When it’s all over, we have a picnic and play more games! Weekly attendance is not required - come as often as you like! Parents: Hawthorn Glen is proud to offer this unique opportunity to help foster a sense of community service in your children. Your children will develop an awareness of the environment that is not usually afforded to today’s urban child. Class fee is non-refundable and not eligible for reduced fees.

Alien Invaders
Aliens are green, come in spaceships and want to take over the world. Right? Not always. Sometimes aliens are bugs that came from another part of the earth. So what’s wrong with that? Plenty! Tiny alien invaders can kill trees, destroy smaller plants and make it hard for other animals to live. Come learn about the bugs we should stomp on, crush, squish and splat - before they take over our world (or at least our ecosystem). Parent/guardian must register, pay and attend with a child. Bug We Love to Hate
Ouch! Itchy! Summer fun can be wrecked by bites, stings, and ants at your picnic. Why do bugs attack you? What is in different insect venom and why do they make you hurt or itch? Which insect repellents work the best? What should you put on bites and stings? Why are you more likely to be stung by honeybees if you just ate bananas? Come and be a human guinea pig by testing different insect repellents on different parts of your body while walking in the woods at dusk. If you dare! <tr>
<td><strong>Level One Water Exploration</strong></td>
<td>Ages 6-14 yrs.  &lt;br&gt; None (Please see the height requirements noted under each swim location).</td>
<td>In Level 1, elementary aquatic skills are taught, which children will build on as they progress through the six Learn-to-Swim levels. In addition to rhythmic breathing and floating, skills include various kicks and arm strokes. At this level, children also start to develop positive attitudes and safe practices around the water.</td>
</tr>
<tr>
<td><strong>Level Two Fundamental Aquatic Skills</strong></td>
<td>Ages 6-14 yrs.  &lt;br&gt; Passed Level 1 or can demonstrate completion of all requirements in Level 1.</td>
<td>The objective of Level 2 is to give children success with fundamental skills. Children learn: floating without support and recovering to a vertical position, exploring simultaneous and alternating arm and leg motion to lay the foundations for future strokes. An introduction to deep water is included in this course.</td>
</tr>
<tr>
<td><strong>Level Three Stroke Development</strong></td>
<td>Ages 6-14 yrs.  &lt;br&gt; Passed Level 2 or can demonstrate completion of all requirements in Level 2.</td>
<td>Level 3 builds on the skills learned in Level 2 by providing additional guided practice. Children learn: coordinating the front crawl, elementary backstroke, fundamentals of treading water, rules for head first entries and additional safety skills. Most importantly, children who successfully complete this course will be ready to swim in deep water.</td>
</tr>
<tr>
<td><strong>Level Four Stroke Improvement</strong></td>
<td>Ages 6-15 yrs.  &lt;br&gt; Passed Level 3 or can demonstrate all Level 3 requirements. Students MUST be comfortable in deep water.</td>
<td>The objective of Level 4 is to develop confidence in the strokes learned thus far and to improve other aquatic skills. Children learn: improved skills and increased endurance in the familiar strokes (front/back crawl), and are introduced to the elementary backstroke, breaststroke, sidestroke, and butterfly.</td>
</tr>
<tr>
<td><strong>Level Five Advanced Strokes</strong></td>
<td>Ages 6-15 yrs.  &lt;br&gt; Passed Level 4 or can demonstrate completion of all requirements in Level 4.</td>
<td>The objective of Level 5 is to coordinate the strokes that were introduced in 4. Students will put together the mechanics for elementary backstroke, breaststroke, sidestroke and butterfly. Underwater swimming &amp; surface dives will also be included.</td>
</tr>
<tr>
<td><strong>Level Six Stroke Refinement</strong></td>
<td>Ages 6-16 yrs.  &lt;br&gt; Passed Level 5 or can demonstrate completion of all requirements in Level 5.</td>
<td>Level 6 refines all 6 strokes. Children learn: advanced techniques in all strokes (front/back crawl, butterfly, breaststroke, elementary backstroke, sidestroke) and will increase their distance endurance. Flip turns at the wall and improved diving skills will provide the student with the essentials to pursue swimming as a sport.</td>
</tr>
<tr>
<td><strong>Level Seven Swimming Proficiency 4 MODULES Read --&gt;</strong></td>
<td>Ages 6-16 yrs.  &lt;br&gt; Passed Level 6 or can demonstrate completion of all requirements in Level 6.</td>
<td>The objective of Level 7 is to fine-tune swimming strokes to allow students to swim with efficiency and power. Four distinct Level 7 modules allow swimmers to broaden their aquatics skills into 4 different areas. Module options include: Personal Water Safety (7PWS), Fundamentals of Diving (7D), Fitness Swimmer (7FS), and Lifeguard Readiness (7LR). Please check the listing to determine which modules are offered this season.</td>

GENERAL SWIM INFORMATION

What to Bring to — Swimsuit, towel, and swim cap. Swim caps must be worn by all individuals entering the pool (exception made for infants, lil’ squirts and shallow water exercisers who do not submerge head). Swim caps may be purchased at the recreation office for $2. Please report 10 minutes before class starts.

Height Requirements (Ages 6-14) — Students must meet the listed minimum height for each pool. Most pools have a 48” height requirement. For youth who are 42”-48” a six-inch booster step may be available. Children not able to comfortably stand in the shallow end of the pool (with or without a booster step) should be enrolled in an Infant, Lil’ Squirt, Tiny-Tot or Advanced Tiny-Tot class where a parent/guardian must accompany the child in the water.

Water Temperature — Normal water temperature is 78–82°F. The only exceptions are Gaenslen Elementary and Marshall therapy pools which range 86-89°F.

Locker Rooms — Participants may bring a padlock for lockers. All swim gear must be removed after each class. Children five years of age or under may accompany their parent/guardian in the locker room. Children ages six and up should use the locker rooms that correspond to their gender identity.

Pre-Testing — A pre-test is given to swimmers in levels 2-6 on the first day of class to ensure that the swimmer is in the appropriate level. Instructors reserve the right to recommend alternate classes for those students unable to complete pre-tests.

Testing — Testing of swim skills learned generally occurs during the second to last lesson, and last lesson. Parents/caregivers will be given certificates on the last day indicating which level to enroll in next.

Infant and Tiny-Tot Requirements — Diapers: Regular disposable diapers are not permitted as they disintegrate in the pool. Either disposable “Little swimmers” or reusable swim diapers are required.

Parent Attendance — Parents/caregivers must accompany their children in the water for all Infant, Lil’ Squirt, Tiny-Tot, and Adv. Tiny-Tot classes.

Second Child in Class — If a parent/caregiver has more than one child enrolled in Infant, Lil’ Squirt, Tiny-Tot or Advanced Tiny-Tot classes, the second child must be accompanied by a responsible person 16 years of age or older.

Make-up Policy — The Recreation Division works diligently to ensure that our pools stay in working operation to offer consistency in our programs. In the event that more than one class is cancelled due to circumstances we cannot control, we will work to make-up the missed class at a later date. When a make-up date is unavailable, credits for the missed class will be applied to your Milwaukee Recreation account.

Share Today. Shape Tomorrow.
Mentor a child. Share your wisdom. Make a difference.
As a volunteer, your experience, abilities and skills can positively shape the lives of children in our community. The Social Development Commission is looking for older adults (55+) to volunteer one-on-one with elementary school children in Milwaukee Public Schools.

Improve a child’s life by:
• Tutoring in reading, math and other subjects
• Showing interest, encouragement and compassion
• Developing self-esteem
Volunteers receive:
• Paid training
• Hourly stipend
• Mileage reimbursement

The Foster Grandparent Program serves Milwaukee Public Schools. When you volunteer, you leave a lasting legacy. Help a child create pathways to success.
