Article 7 – Game Play:

- A. **Ins and Outs**: The home and visiting team will be indicated on the season schedules.
- B. **Balls and Strikes**: Three (3) balls shall be a walk. Any combination of 2 called strikes, swinging strikes or foul balls shall be an out. A foul ball caught before touching the ground shall be an out and runners may advance at their own risk.
- C. **Strike Zone Mat**: A strike is called by the umpire for each legally pitched ball (Proper Arch) hitting the strike zone mat or home plate and the batter does not swing, and for each pitched ball swung at and missed by the batter. This includes pitches the umpire has already declared "NO PITCH". The catcher must allow the ball to bounce before they field the ball. This gives the umpire the opportunity to properly make a call on the pitch.
- D. **Pitching**: The pitcher must have one foot in contact with the pitching rubber until the ball leaves his/her hand. The pitch must be an underhand pitch at a moderate speed with a perceptible arc. The height of pitches is in the umpire's judgement. An automatic ball will be called on each illegal pitch. If a batter swings at an illegal pitch, the resulting play will be legal.

Article 8 – Fouls and Misconduct:

- A. **Thrown Bat Rule:** Each athlete will receive one (1) warning after a thrown bat. A second (2) warning will result in an out.
- B. **NO THROWING OF BATS PLEASE.**

Article 9 – Rule Explanations

- A. Appeal Play. All appeals must be made before the next pitch is thrown. All that is needed for an appeal is for the coach to ask for time and then verbally state the nature of the appeal. (Example: I would like to appeal that player #7 missed second base on the previous play.) No balls need to be thrown to any bases or other actions. The umpire will then rule on the appeal. No appeals of judgement calls are permitted.
- B. Infield Fly Rule – On a fair fly ball that can be routinely caught in the infield if there are less than 2 outs and runners are at first and second or the bases are loaded, the umpire will call “INFIELD FLY. BATTER IS OUT”. The batter is automatically out whether the ball is caught or not and runners may advance at their own risk. However, if the ball is caught runners must still tag up to advance as on a regular fly ball.
